Kathy/Whitney – If you have the capacity today, I would appreciate any help you could provide on the following, as we are slammed with trying to get our tribal consultation close-out letters done for leadership. If you are working on other time-critical assumption matters, then no problem. Thanks! Tom

- Can you provide the complete name and address for the Secretary for the Army (the addressee of our notification letter)?
- Can you complete the Action Information template for the R4 FRN?
